Today is Stewardship Sunday

The Lord's exhortation that "you cannot serve God and wealth" can be difficult to swallow. In order to foster a healthy attitude towards our wealth, it is important to view it, and our very lives themselves, as a gift from God. When we view our wealth as a gift we can then begin to move from gratitude to generosity, graciously sharing our gifts with others for the glory of God and the church.

Cardinal Collins' Pastoral Letter on Stewardship

We invite you to read Cardinal Thomas Collins' Pastoral Letter on Stewardship. The letter is both a reflective guide and an urgent exhortation for Catholics to be aware of God's gracious gifts and to live fully, gratefully, in service to others.

The letter unpacks the meaning of "deep stewardship" in everyday Christian life: the acknowledgment that we have received everything from God, and are "asked to make good use of what has been entrusted to us" with "creativity and boldness" while regularly examining how we use the gifts God has given us.
